Frequently Asked Questions

Where do I find the entry forms?

The entry forms are on the CBCA(SA) website in the Book Week section.
(<http://www.cbcsa.org.au/bookweek>).

Does it matter what media the students use?

Students can use any media to create a visual presentation no larger than A3.

Is this a book poster?

No. The judges are looking for students to show a **unique response** to their chosen book. They might **share their feelings** and thoughts about the events and characters in the book. They might **draw connections** between their personal experiences and the text, or **reflect on the language used** in the text and how it influenced their response to the book. There will be no text in the visual presentation.

What kinds of books can the students use?

Students need to select a shortlisted book from the Early Childhood or Picture Book Categories of the CBCA Book of the Year Awards.

How will students know if they are on the right track with their artwork?

The rubric the judges are using to select the winning entries is available on the CBCSA website. Students can use this to edit their entry before sending it in.

When is it due?

All entries are due by **Monday 15th August 2016**.
The **winners will be announced Friday 19th August 2016**.

Is there an entry fee?

Entry is free.

How do students submit entries?

Entries should be submitted in hard copy. Please keep a copy of the work. Entries sent by email will not be considered.

Can I send the artwork and forms in separately?

The visual presentation and forms need to arrive together for the entry to be considered.

Do I have to obtain the publisher permission?

Yes, if the entry is copying any elements of the artwork in the book. The entry conditions require the students seek those permissions. A template of the letter has been included with the registration forms. Sometimes these permissions take a while to come through so it is useful to send this letter off as soon as possible.
